GARY CRAIG

RESIDENTIAL DESIGN › GARDEN DESIGN › LANDSCAPE CONSULTATION › SITE & PLANTING PLAN

Known primarily as a fine artist, Gary Craig's paintings are in private collections around the world and licensed to the publishing, gift, and software industries. However, Gary is also a renown landscape designer who captured his first Golden Trowel Award in 1995. His residential design works have been featured in Garden Design Magazine, Architectural Digest, Casa Vogue, Sunset Magazine, Connaissance Des Arts, and Realites. The first edition of *The Garden Design Book* features photographs, diagrams, and structural emphasis on the art and skill of his design. He is a master of many styles and works closely with his clients to actualize their architectural and gardening vision.
